Abstract: A guaranty agency is a state or private non-profit entity that performs certain administrative role in the Federal Family Education Loan (FFEL) Program. Their reserve funds contain federal money. Some agencies are involved in separately funded non-FFEL guaranty activities. If such an agency uses personnel and resources to perform both its FFEL and other activities, it must develop and comply with a plan for allocating costs to ensure that federal funds are not used to subsidize the agency's non-FFEL guaranty activities. The agency will be required to submit its cost allocation to the Secretary upon request.
